HOMER TOWNSHIP
522 N HOMER RD
MIDLAND, MI 48640

Date:

Subject: Construction Board of Appeals

The State Construction Bureau requires all units of government enforcing construction codes to have a Construction Board of Appeals.

All boards wishing to use the board adopted by this association should adopt the following resolution. If you do not adopt this board, you should adopt members from your township to act in this capacity, members need to be representative of all building trades.

Moved by Lee second Pruiett to accept County Construction Board of Appeals appointees. Motion passed or Motion denied.

Roll call Yeas: Lee, Varner, Stern, Johnson, Pruiett, Turk No: None

RESOLUTION

Whereas: The State of Michigan Construction Bureau requires a Construction Board of Appeals we do hereby appoint the following members: Lance Bickel Architect, Alan Carey Plumbing/mechanical, Scott Atton Electrical, Glenn Krawczak, Building, to serve on the Construction Board of Appeals with terms expiring on February 7, 2015.

Upon adoption of this resolution notify the Michigan Code Construction Bureau and also send a copy to Lydia Draves Secretary of the Midland County Township Officials association.

Bureau of Construction Codes
